Objectives

1. To enhance the skills of all persons in attendance with regard to the new 2010 guidelines for CSv2 and AJCC staging, 7th edition.
2. To further educate the new cancer registrars, as well as seasoned registrars, on the primary site of colon cancer.
3. To promote timely and accurate cancer data collection through knowledge and skills learned at this conference.
4. To improve the participants working knowledge of tumor board..
